Electric

Modern Wall-Mount Fireplaces

Modern Style Made Easy

Create a distinct contemporary look, providing an instant upgrade to any space, with or without the heat. Simply hang these units on the wall and plug them in. Available in two sizes, each with standard multi-colored LED backlighting to accent any décor.

Features

- 100% efficient- costs just pennies an hour to operate—use with or without heat
- Multiple sizes allow limitless placement options, the 38-inch model includes a stand for optional tabletop use
- Efficient LED flame and perimeter light technology means the bulbs never need to be changed
- All models have 14 color LED perimeter backlighting to accent any décor; backlighting on 38-inch model appears on sides only
- Intuitive, multi-function remote included with all SimpliFire wall-mount fireplaces allows flame, backlight, and heat control
- 4,800 BTU variable heat output is perfect for zone heating your space

Sleek and Slender

The 38-inch model comes with a stand. Mount it on the wall, or just set it down and plug it in.

Multi-Function Remote

Quickly and easily set the mood. Intuitive multi-function remote controls come standard.

Flexible Comfort

Customize every fireside experience, with heat and flame intensity adjustments, and orange or blue flame colors.

LED Backlighting

Fourteen LED colors backlight each model, rotating or remaining constant— you control the style and enhance the ambiance (Backlighting on the 38-inch model appears on sides of unit only.)
